OUT OF THE GATE

- The Gatemen lost 6-4 in 10 innings to the league's top team, Chatham, last night. It's the second straight extra innings loss to the Anglers this season.
- 3B Shea Vucinich snapped into gear last night. The Washington State product smacked two solo home runs and finished up 2 for 4.
- The Gatemen still have to make up 3 rained-out games. Wareham will play Orleans at Spillane Field on July 1. Sunday's game against Cotuit will be July 13 at 5 PM. Finally, the Gatemen travel to Hyannis for a two-night doubleheader against the Mets on July 6.
- 2009 Gatemen signee Cole Green started in the decisive Game 3 for Texas in the College World Series. The righty struggled, giving up 4 earned runs in just 2 innings of work. LSU won the game 11-4 to win the national title.
- The 2 teams that were eliminated from the CWS on Friday, Arkansas and Arizona State, both have Gatemen signees on the roster. RHP/C Jordan Swagerty and IF Zach Wilson both play for ASU. Returning Gatemen RHP/OF Brett Eibner and newcomer OF Jarrod McKinney both represent the Razorbacks.
